

Thanksgiving.

The APPEAL force will take a lay off today to appropriately celebrate Thanksgiving.

We consider we have a good deal to be thankful for and will govern ourselves accordingly.

HOW THE TITLE WAS EARNED:

The claim made by our contemporaries that the APPEAL has given Carson a hard name is, perhaps, well founded.

We disliked very much to let the outside world know that when leading citizens outrage children in Carson, there can be found two newspapers out of three venal enough to be muzzled to hide the crime, but fidelity to the interests of truth compelled the publication.

Then when it transpired that there was a conspiracy of citizens (heretofore regarded as leading) to annul the action of an honest Grand Jury, it became apparent to the outside world, that "Carson was a tough place."

The only way to remove the stigma is to remove the cause of the toughness.

THE TIGER IS THERE.

The instant a Democratic victory rolls over New York, it is the signal for the Tammany Tiger to stretch himself and sharpen his claws for a marauding expedition.

When the statement was made by Republican speakers and newspapers during the recent campaign in New York that if Tammany Hall succeeded in carrying that State it would attempt to control the Democratic national policy, it was pooh-poohed by many people, including some Republicans. Well, the prophecy is already fulfilled, and the agents of Tammany Hall are in Washington demanding that Crisp shall be elected Speaker of the House, just as next year they will be at the Democratic National convention demanding the nomination of some man who will promise, if elected, to allow them to introduce into national affairs the corrupt methods which have made the New York City government a stench in the nostrils of honest men everywhere. The Speakership contest will be a test of the strength of Tammany Hall in National affairs; if it can have Crisp elected Speaker it can dictate the Democratic Presidential nomination next year.

Robert Harvey, aged thirteen years, living near Smith's creek, Santa Clara county, was cleaning his gun preparatory to going on a hunt. One of the barrels had a light charge of powder, and as he had been told once by another boy that if he placed the tube in the fire and blew down the barrel at the same time the powder would burn like the broken end of a fire-cracker, he tried the experiment. The charge was fired down his throat and the palate and muscles badly torn. His chances for recovery are slight.

The New York Sun says farmers on the Pacific Coast are divided as to the uselessness or usefulness of a pig's tail. One side argues that it is useless as the letter p in pneumonia. The other side asserts that the tail indicates the exact physical condition of the animal. If it hangs loose, it indicates that the pig is not in condition and that it should be changed. If it be coiled tightly, it indicates contentment and good health.

Ward McAllister has been writing about London society and has illustrated by historical citations the correctness of his views. He lays down the proposition that an American going to England has to buy his way into the presence of the 400, and shows that the bauble of polite recognition will not stay bought, but must be purchased anew every day.

The Chicago Chief of Police gives special warning as to progressive euche as one of the chief causes of gambling "penny gambling in parlor socials," because it teaches the young to take a step in the wrong

The report in Germany that a syndicate of bankers has been formed with the object of purchasing the Swiss railroads, has created a sensation in Berlin. It is believed that project covers political design.

Teachers' Contest.

Last night Miss Wagner was still in the lead. It is anybody's race yet and the figures in the APPEAL do not indicate the result, as many school children are collecting and saving up large wads of ballots to put in at the last hour. The contest will close at the tap of the curfew on Saturday night. Yesterday several half ballots were sent in. They were thrown out. Nothing but whole ballots will be counted.

The score stands:

Miss Wagner.....	210
Mrs. Brumsey.....	145
Miss Martin.....	142
Miss Bardenwerper.....	97
Miss Wasson.....	57
Miss Gillockley.....	36
Miss Morton.....	14
Miss Roberts.....	9
Miss Swift.....	7
Miss Mills.....	2
